Reinstatement of Lapsed Member

A lapsed member wishing to be reinstated to Exhibiting Member status may do so by taking one of the following actions:

- If the member is lapsed by less than two years, the KGAC requires only that the lapsed member complete a current membership form and pay annual dues.

- If the member is lapsed by two years or more, the KGAC offers a streamlined review process in which the applicant may provide relevant photos, social media, website, etc. for review by the Membership and Standards committees along with any relevant KGAC artists producing in the medium in question. This process will determine if the former member may rejoin without further action, or if the former member needs to rejury their work at a future jury session.

The lapsed member may contact the KGAC for a copy of the lapsed member review form that should accompany submittal of the review materials.

Regardless of how a lapsed member rejoins as an exhibiting member, the KGAC asks that the member make an effort to participate in at least one fair or exhibit each year or participate as an active member of a KGAC committee.
