- ❖ **FULL SERVICE** Truck/Booth (Full menu with variety of meal options): \$250 made payable to the Kentucky Guild of Artists and Craftsmen

Guidelines & Important Information for Exhibitors:

- ❖ Booth fees are \$200 (with sales tax included) for Single/Specialty food vendors, while Full Service food vendors are \$250 (with sales tax included) for each truck/booth space. Food vendor spaces are filled by meal category, & their availability is based on a first come, first serve basis to ensure a balanced and cohesive vendor environment. (We will not be accepting two vendors of the same cuisine under any circumstances.)
- ❖ Food vendor applications are open until **July 1, 2024**. There is a ***\$50 cancellation fee*** for any ***accepted*** vendors who decide to not attend the show past this deadline, and by signing this market application you accept these terms. If a vendor leaves the venue early, or does not show up, they forfeit an invitation back to any/all KGAC events in the future unless it is discussed with the Fair Committee Chairman prior to their absence. Vendors ***must*** attend the entirety of the event.
- ❖ Set-up will be Saturday, October 19th and Sunday, October 20th from 7 am - 9 am. No vehicles will be permitted in the space past these times. This is a rain or shine event, so please come prepared for any and all inclement weather; It will be monitored closely by the KGAC Board & Fair Committee to ensure a successful, safe, and fun event. Trucks may be asked to leave earlier at the request of the Committee Director if inclement weather persists so that artists may access the load-out area without clutter; This is an unknown factor, but please be prepared to account for this situation if it arises. Truck/booth fees are non-refundable.
- ❖ The event will take place at 200 Artisan Way, Berea, KY 40403. Load-in/out access will be via the “artwork drop-off” driveway around the north side of the building to either the event area within the field or at the top of this driveway. Detailed info will be sent prior to the event where you will schedule a time to load-in/out due to limited vehicle access to the space.
- ❖ There will be volunteers to help you with load-in and load-out, as well as any other special assistance you may require. They are a vital resource to help you during load-in/out to be quick and efficient so that there is more vehicle space for your other fellow vendors to enter and exit the event.
- ❖ ***If you are setting up a booth***, we ask that everyone unload completely and immediately return their vehicles to the vendor parking area before setting up. The reverse will be asked during break-down and load-out. You will receive a “check-out” ticket from a volunteer once broken down in order to retrieve your vehicle for load out.
- ❖ ***If you are setting up a booth***, all exhibitors must have a white tent - no tarps or colored tents will be accepted unless it is for marketing purposes. (Your tent **MUST** be approved before exhibiting if this is the case.) Set-up will be on grass. Exhibitors are responsible for securing their booth properly, with stakes and weights. Food vendors must not extend beyond allotted space. Booth displays are to be professional, neat and attractive - where tables must be covered to the ground.

- ❖ Food offered for sale must be consistent with the submitted menu and in the accepted category only. You will politely be asked to remove any items in your booth NOT approved during the application process if they do not follow these guidelines. The standards committee will be on hand to ensure that the images that you provided are consistent with the menu you are exhibiting.
- ❖ The Kentucky Guild of Artists and Craftsmen will provide trash receptacles at this event to promote a clean environment on the Artisan Center Grounds.
- ❖ Food Vendors may only place signage in designated areas where they are not obstructing walkways or traffic flow, and the vendor must provide all aforementioned signage.
- ❖ Security will be provided Friday and Saturday night by Berea Police and/or a Security Firm. The KGAC shall not be liable or responsible for any items that are lost, stolen, or damaged.
- ❖ Exhibitors are responsible for collecting and remitting sales tax to the Kentucky Department of Revenue.
- ❖ Please note that the City of Berea requires all exhibitors to have a Berea business license. Licenses may be obtained from the city's website: <https://bereaky.gov/government/city-departments/finance-department/business-license/> It is the responsibility of each exhibitor to obtain this license.
- ❖ Vendors shall comply with all Health Department policies and those of all state and local regulatory agencies, where you may be subject to an on-site inspection by the Health Department and the Urban County Government. Vendors must contact the Madison County Health Department to receive and complete forms required for your operation prior to the set-up for the event, where copies of these forms must be on hand.
- ❖ If there are any further comments, questions, or concerns - please direct them to this year's Fair Committee Chairman, Benjamin Maddox, at (859) 221-7407 or maddoxdesignsart@gmail.com. If unavailable, contact a representative of the KGAC Board of Directors or Fair Committee Member at: kgacinfo@gmail.com

HEALTH DEPARTMENT REQUIREMENTS:
